Skydiving

Skydiving around Montreal — To a lot of people, skydiving is more like a once-in-a-lifetime experience. To mark a personal milestone, or check off an item on their bucket list, there are people of all ages who want to get that rare thrill of flying up in the air in an airplane, jump out of it in midair, and then do a little free fall, and finally, pull the ripcord to parachute down to solid ground to complete that sense of pure exhilaration.

Multiactivities Trip

Xtremo rental and guided tour in the Mauricie region and around lac St-Pierre. Discover the open space of the Saint-Lawrence valley including lac St-Pierre and its archipelago which is a UNESCO world heritage site. Our base is 1 hour from downtown Montreal, on the road to Quebec city (highway 40 east) at Domaine du lac St-Pierre in Louiseville (75 rang du lac st-pierre est). Roundtrip transport from Montreal to Louiseville is available.

Tandem Skydiving is popular among first time jumpers looking to experience the thrill of skydiving. Offering an introduction to the sport, Tandem Skydiving will allow jumpers to free-fall for 30 seconds while securely harnessed to one of our trained instructors. The tandem instructor will allow you to keep track of the jump using your own altimeter and let you pull the ripcord to release the parachute (of course, your instructor will back you up). Tandem Skydiving requires minimal ground preparation, but you should expect to be at our skydiving center for half the day. Come fall in love with skydiving by scheduling your tandem jump today.
