- On the top of the page, you can type your email to Subscribe to our Website's Newspaper.

By clicking on the words Montreal or Laval, you can go directly to the city's information.

For 10 years, we have shared our passion for skydiving , waterskiing and snowboarding in a highly professional and safe environment to provide you with an experience you will never forget. We are the only place in Quebec that offers two locations, one in Montreal, in downtown, and one in Laval near Montreal. To meet all of your expectations, you will benefit from:

- 10 years of experience and expertise.
- 2 locations Montreal and Laval
- adrenaline overdosis

Multiactivities Trip

Xtremo rental and guided tour in the Mauricie region and around lac St-Pierre. Discover the open space of the Saint-Lawrence valley including lac St-Pierre and its archipelago which is a UNESCO world heritage site. Our base is 1 hour from downtown Montreal, on the road to Quebec

Montreal

The Greater Montreal Area is a rich, unique blend of true urban and lush countryside. Accredited Aventure Ecotourisme Québec members invite you to come live surprising and unforgettable outdoor adventures. On the St. Lawrence River, ride the waves on a surfboard or live the finest of stand-up-paddle experiences with a SUP Yoga or SUP Fitness lesson or discover Montreal at sunset, on a romantic evening SUP paddle. Interested in whitewater or river kayaking? You're sure to have the time of your life in downtown Montreal, with an introductory lesson in calm waters! For the more advanced, on the St. Lawrence River's tireless rapids. The river calls!

scrambled it to make a type specimen book. It has survived not only five centuries, but also the leap into electronic typesetting, remaining essentially unchanged. It was popularised in the 1960s with the release of Letraset sheets containing Lorem Ipsum passages, and more recently with desktop publishing software like Aldus PageMaker including versions of Lorem Ipsum.

Equipment

By clicking any article on the picture, it takes you to see all the information about it.

By clicking on the words Go to the top, you can go directly to the top of the page. (you will find it several times)

The screenshot displays a website interface for skydiving equipment. At the top left, the text "Skydiving:" is visible. Below this, there are two main product sections. The first section is for "Parachute", featuring a small image of a parachute pack, an average price of "CAD 3500", and a blue link "Go to the top" with an arrow pointing to it. The second section is for "Helmet", featuring a small image of a white helmet, an average price of "CAD 230", and a blue link "Go to the top" with an arrow pointing to it. Between these two sections, there is a "Brands:" heading followed by the text "Javelin Odyssey. Bonehead. UPT" and a paragraph of descriptive text about the equipment.

Your container comes with several parts, including the container, your emergency handles, main risers, deployment bag, and pilot chute, reserve free bag, and reserve pilot chute. Like many other skydiving equipment manufacturers, we sell our products through a network of qualified dealers. Dealers in your local area can work with you face-to-face to ensure your measurements are correct and that you are getting the best equipment for your preferences, skill level, and budget. Plus, they are at your dropzone to help if you need anything during or after your purchase!
